

Attending Home Basketball Games **(Posted: January 8, 2024)**

Tomorrow we have our first home basketball game at NEMS. I attached the BOE policy for spectators attending games. Please take the time to go over the guidelines but I want to call attention to one very important item.

Because games do not start until after 4:00 P.M., students who want to watch the games must go home and come back with an adult. Students can not stay after school and wait for the games to start and they must be accompanied by an adult when they return.
