

Homework Club Update

(Posted: November 21, 2023)

The response to the homework club has not been good. We will give it one more week but, if the numbers don't get better, we will look for other ways to utilize our grant money. The club will meet tomorrow, the 21st, and again on November 28th. After that, we will make a decision as to whether it is worth it or not. The information from an earlier post is below.

Homework Club

Starting on November 14th, there will be a homework club every Tuesday and Thursday morning from 7:15 A.M.-7:45 A.M. Students will need to be at the front door at 7:15 A.M. They will be escorted into the building by a staff member. Another staff member will wait at the front door until 7:20 to pick up any stragglers. Any student that arrives after 7:20 A.M. will not be let in. To start out, the club will be open to all students but, if the numbers get too high, we will have students sign up the day before. We hope to have 20 students access the club each day .
