

# **Winter Dance Information**

## **(Posted: January 11, 2024)**

Below is a message from our PTO President regarding tomorrow's dance. Please be aware, this dance is happening through the hard work and planning of parents and staff members giving up their time to provide students with a fun activity. Students need to payback these people by being on their best behavior and having rides waiting for them at 8:00. Students who are not in school on Friday can not come to the dance. Any students who misbehave will have their parents called and they will be asked to leave the dance. We love doing these events but we need students to follow the rules so everybody is safe and parents and staff members will be more likely to volunteer their time again.

Reminder that the winter dance is tomorrow, January 12th from 6-8 pm. Students wanting to attend **MUST FILL OUT THE GOOGLE FORM** sent to their school emails. They can bring in the \$2 tomorrow or at the time of the dance as long as they fill the form out.

Students must have a ride promptly at 8 pm.

Thank you,  
Dana Martin  
PTO President
